TRUTH-IN-SAVINGS DISCLOSURE
GENERAL INFORMATION

ACCRUAL OF DIVIDENDS ON NON-CASH DEPOSITS: Dividends begin to accrue on the business day you deposit non-cash items (e.g., checks) to your account if deposited before close of business.

NATURE OF DIVIDENDS: Dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period.

BYLAW REQUIREMENTS: The maximum amount of shares which may be held by any one member shall be established from time to time by resolution of the board.

The Credit Union requires a one-time, non-refundable membership fee of \$10.

A member who reduces his share balance below the par value of one share and does not increase the balance to at least the par value of one share within 3 months of the reduction may be terminated from membership at the end of a dividend period.

Shares may be transferred only from one member to another, by written instrument in such form as the Credit Union may prescribe. No transfer of voting rights or other membership privilege is

permitted by virtue of transfer or co-ownership of shares by non-members. The Credit Union reserves the right, at any time, to require members to give, in writing, not less than 7 days' and not more than 60 days' notice of intention to withdraw the whole or any part of the amounts so paid in by them.

No member may withdraw shareholdings that are pledged as required for security on loans without the written approval of the credit committee or a loan officer, except to the extent that such shares exceed the member's total primary and contingent liability to the Credit Union. No member may withdraw any shareholdings below the amount of his/her primary or contingent liability to the Credit Union if he/she is delinquent as a borrower, or if borrowers for whom he/she is comaker, endorser, or guarantor are delinquent, without the written consent of the credit committee or loan officer.

REQUIREMENT TO MAINTAIN A REGULAR SHARE ACCOUNT: You must open a Regular Share Account and maintain a minimum average daily balance of \$5.00 to open any subsequent accounts. You must maintain the Regular Share Account to avoid closure of that account and any subsequent accounts.

DIVIDEND COMPOUNDING AND CREDITING: Dividends will compound quarterly and will credit quarterly and the dividend period is quarterly. For example, the beginning date of the first dividend period of the calendar year is January 1 and the ending date is March 31. All other dividend periods follow this same pattern of dates. For example, the dividend declaration date typically precedes the ending date of the dividend period and may be the third Wednesday of the third month of the quarter.

If you close your account before dividends are credited, you will not receive accrued dividends.

BALANCE INFORMATION: We compute the balance in your account to determine the dividends you will be paid by using the average daily balance method which applies a periodic rate to the average daily balance in the account for the period. We calculate the average daily balance by adding the balance in the account for each day of the period and dividing that figure by the number of days in the period.

PAR VALUE/MINIMUM BALANCE REQUIREMENTS: The par value of one share in the Credit Union is \$5.00. You must purchase and maintain one (1) \$5.00 share (a \$5.00 average daily balance) in your Share Account to open and maintain any account with the Credit Union.

3. We may endorse checks for you which we receive for deposit.

Please refer to the Credit Union's Disclosure of Delayed Availability of Deposited Funds for further details.

5. All account statements will be delivered only to your address of record. You shall exercise reasonable care and promptness in reconciling your statement, but in all cases within the applicable time limits set forth in the Uniform Commercial Code or you are precluded from any objection against us.
6. We may pay out funds or transact business pertaining to any account with the signature of any one (1) of the account owners or the signature of any designated agent. If we receive written notice from an owner that withdrawals in accordance with the terms of the account should not be permitted, we may refuse, without liability, to pay any sums on deposit pending a determination of the rights of the owners. Further, if there is more than one owner and there is a conflict between owners, we may require the signatures of all owners.
7. You or we may terminate your account at any time. You understand, however, that your authority to us may not be changed or terminated except by written notice to us which will not affect prior transactions. If we exercise this right, we will advise you and identify the account from which funds are transferred, the account to which they were applied and the balance after the transfer in each of these accounts.
17. You agree that we will not be responsible to you for any damages you may incur in the event you deposit an item with us which is later returned unpaid by the paying bank and that return is "late" due to markings on the back of the check caused by a prior endorser.

Once you are in default, we may exercise this right without further notice to you.

**TERMS AND CONDITIONS APPLICABLE TO
ALL INDIVIDUAL AND JOINT ACCOUNTS**

1. If there is more than one owner, all agree with each other and with us that all sums now paid in on shares or hereafter paid in on shares by any one or all account owner(s) including all dividends thereon, if any, are and shall be owned by all account owner(s) jointly and equally regardless of their net contributions with a right of survivorship and regardless of their net contributions shall be subject to withdrawal or receipt by any of the account owner(s) or the survivor(s) of any of the account owner(s). 2. We are not obligated to inquire as to the source of funds received for deposit to a joint account or to inquire as to the proposed use of any sums withdrawn from the account for the purpose of establishing net contributions.

3. No transfer of voting rights or other membership privileges is permitted by virtue of a transfer of shares.
4. You may pledge any or all of the shares on deposit in the account (except IRA's) as collateral security to any loan(s) subject to then current loan policies. Further, for a pledge of shares by any one of you shall be binding on all of you.

**TERMS AND CONDITIONS APPLICABLE TO
PAY-ON-DEATH (P.O.D.) DESIGNATIONS**

If you have made a pay-on-death (P.O.D.) designation, all sums are payable to you during your lifetime and upon your death to your designated P.O.D. payee(s) or if the account is jointly owned, to one or more account owner(s), during their lives and on the death of all of them to one or more payees then surviving in equal and individual shares. As between P.O.D. payees, there is no right of survivorship.

**DISCLOSURE OF DELAYED AVAILABILITY
OF DEPOSITED FUNDS**

Our policy is to make funds from your deposits available to you on the first business day after we receive your deposit. Electronic direct deposits will be available on the day we receive the deposit. Once they are available, you can withdraw the funds in cash and we will use the funds to pay checks that you have written.

For determining the availability of your deposits, every day is a business day, except Saturdays, Sundays, and federal holidays. If you make a deposit during business hours on a business day that we are open, we will consider that day to be the day of your deposit. However, if you make a deposit on a non-business day, after hours or on a day we are not open, we will consider that the deposit was made on the next business day we are open.

LONGER DELAYS MAY APPLY

In some cases, we will not make all of the funds that you deposit by check available to you on the first business day after your deposit. Depending on the type of check that you deposit, funds may not be available until the second business day after the day of your deposit. However, the first \$100 of your deposits will be available on the first business day after the day of deposit.

If we are not going to make all the funds from your deposit available on the first business day, we will notify you at the time you make your deposit. We will also tell you when the funds will be available. If your deposit is made at an ATM or night drop (not directly to an employee), or if we decide to take this action after you have left the premises, we will mail you the notice the day after we receive your deposit. Deposits to a non-proprietary ATM or CU Service Center Shared Branch location will not be available for two (2) business days. If you will need the funds from a deposit right away, you should ask us when the funds will be available. In addition, funds you deposit by check may be delayed for a longer period under the following circumstances:

- We believe the collectibility of a check you deposited is doubtful.
- We believe a check you deposit will not be paid.
- You deposit checks totaling more than \$5,000 on any one day.
- You re-deposit a check that has been returned unpaid.
- You have had a negative balance on 6(six) or more banking days in the previous 6(six) months, or would have had a negative balance had checks been paid, or on 2(two) or more banking days in the last 6(six) months account was negative in the amount of \$5,000 or more, or would have been had checks been paid.

- There is an emergency, such as failure of communications or computer equipment or natural disaster.

We will notify you if we delay your ability to withdraw funds for any of these reasons, and we will tell you when the funds will be available. They will generally be available no later than the seventh business day after the day of your deposit.

SPECIAL RULES FOR NEW ACCOUNTS

If you are a new member, the following special rules will apply during the first 30 days your account is open.

Funds from electronic direct deposits to your account will be available on the day we receive the deposit. Funds from deposits of cash, wire transfers, and the first \$5,000 of a day's total deposits of cashier's, certified, teller's, traveler's and federal, state, and local government checks will be available on the first business day of your deposit if the deposit meets certain conditions. For example, the checks must be payable to you. The excess over \$5,000 will be available on the ninth business day after the day of your deposit. If your deposit of these checks (other than a U.S. Treasury check) is not made in person to one of our employees, the first \$5,000 will not be available until the second business day after the day of your deposit.

Funds from all other check deposits will be available on the seventh (7th) business day after the day of your deposit.

OTHER METHODS OF HOLDS ON FUNDS

Holds on Other Funds (Check Cashing):

If we cash a check for you that is drawn on another bank, we may withhold the availability of a corresponding amount of funds that are already in your account. Those funds will be available at the time funds from the check we cashed would have been available if you had deposited it.

Holds on Other Funds (Other Account):

If we accept for deposit a check that is drawn on another bank, we may make funds from the deposit available for withdrawal immediately but delay your availability to withdraw a corresponding amount of funds that you have on deposit in another account with us. The funds in the other account would then not be available for withdrawal until the time periods that are described elsewhere in this disclosure for the type of check that you deposited.
